Proposal Retiree Healthcare Funding

**ARTICLE 29 RETIREE HEALTHCARE FUNDING**

**(Current Article 29 and subsequent articles to be re-numbered)**

- 29.1 The City and the Union agree to transition from the current partial pre-funding of fire retiree medical and dental healthcare benefits (referred to as the "policy method") to pre-funding of the full Annual Required Contribution (ARC) for the fire retiree healthcare benefits plan ("Plan"). The transition shall be accomplished by phasing into fully funding the ARC over a period of five (5) years beginning June 28, 2009. The Plan's initial unfunded retiree healthcare liability shall be fully amortized over a thirty year period so that it shall be paid by June 30, 2039 (closed amortization). Amortization of changes in the unfunded retiree healthcare liability other than the initial retiree healthcare liability (e.g. gains, losses, changes in actuarial assumptions, etc.) shall be determined by the Plan's actuary. The City and Plan members (active employees) shall contribute to funding the ARC in the ratio currently provided under Section 3.36.575 (C) (1) and (2) of the San Jose Municipal Code. Specifically, contributions for retiree medical benefits shall be made by the City and members in the ratio of one-to-one. Contributions for retiree dental benefits shall be made by the City and members in the ratio of three-to-one. When determining the contribution rates for the Plan, the Plan actuary shall continue to use the Entry Age Normal (EAN) actuarial cost method and a discount rate consistent with the pre-funding policy for the Plan as outlined in this Article.
- 29.2 The City and the Union further agree that the Municipal Code and/or applicable plan documents shall be amended in accordance with the above agreement and that the Union will support such amendments.
- 29.3 It is understood that in reaching this agreement, the parties have been informed by cost estimates prepared by the Police and Fire Department Retirement Plan Board's actuary, and that the actual contribution rates to reach full pre-funding of retiree healthcare will differ. The phase-in to the ARC shall be divided in five steps (using a straight line method), each to be effective on the first pay period of the City's fiscal year in each succeeding year. The first increment of the phase-in shall be effective on June 28, 2009. It is understood that because of changes resulting from future actuarial valuations, the amount of each increase may vary upward or downward.
- 29.4 The City will establish a qualified trust ("Trust") before June 30, 2011.
- 29.5 It is the objective of the parties that the Trust created pursuant to this agreement shall become the sole funding vehicle for Fire retiree healthcare benefits, subject to any legal restrictions under the current plan, or other applicable law.
